POSSIBILITY BEGINS WHERE LAND ENDS

Where we come from, there's no better phrase than "let's take the boat out." It's an invitation and an opportunity to get out and satisfy your craving for all things water. Whether you're chasing bites before sunrise, skiing with the family in the afternoon sunshine or cruising the shores at sunset, you're riding on a legacy of exceptional innovation, durability and quality. Our boats are designed so you can experience the water how you want, when you want, where you want. And while today's reason for leaving land may be different than tomorrow's, your Crestliner isn't just up to the task—it's built for it.

FORGED WITH STRENGTH. DEFINED BY DURABILITY.

The heart of every Crestliner boat is built with premium materials by skilled craftsmen to deliver durable, long-lasting performance that carries your family from one season to the next with peace of mind.

1 LEGENDARY FOUR X HULL

Four sheets of premium-grade aluminum and a meticulous welding process create our legendary one-piece Four X Hull. The smooth, flawless design slices through water and big waves with minimal drag.

2 INTERLOCKING TONGUE-AND-GROOVE CONSTRUCTION

A unique interlocking tongue-and-groove construction and an advanced continuous-seam welding process create a one-piece bonded hull for unmatched strength and durability.

3 EXTRUDED FULL-LENGTH KEEL

A thick extruded full-length keel from bow to stern withstands punishment and provides maximum strength, durability and control at any speed.

SUPERIOR STRUCTURAL INTEGRITY

An intricate stringer foundation supports every inch of the boat, ensuring a safe, smooth ride.

DOUBLE-WELDED, WOOD-FREE TRANSOM

The transom of a boat is subject to tremendous force and needs to harness powerful engine torque. That's why our transoms feature a double-welded design inside and out and wood-free composite construction.

WORK-HARDENED SIDEWALLS

Add strength and rigidity

Crestliner's Work-Hardened Sidewalls

REVERSE CHINE DESIGN

Forces water down for a drier ride

VARIABLE-DEGREE DEADRISE

Allows for quick planing and unmatched stability

THE LATEST IN DEEP-V HULL INNOVATION

Our revolutionary Active Performance (AP-X) Hull delivers instant lift, enhanced driving responsiveness, accelerated hole shots and exceptional control. And it's unlike anything you've experienced before.

1 HIGH-PERFORMANCE HANDLING

The AP-X Hull's dual tracking edges deliver maximum control while cornering and improved tracking while trolling.

2 ACCELERATED HOLE SHOT

Engineered with a recessed pad design for instant lift and an accelerated hole shot, the AP-X Hull gives you incredible speed and control.

3 MAXIMIZED ENGINE PERFORMANCE

The breakthrough AP-X Hull design channels water so the prop is fed a continuous flow of undisturbed water for maximum engine performance.

4 A CRESTLINER-EXCLUSIVE DESIGN

The AP-X Hull is available exclusively on limited models: 1950 and 1850 Sportfish, 1850 and 1750 Super Hawk, and 1850 and 1750 Fish Hawk.

PROVEN TECHNOLOGY

Crestliner's Active Performance AP-X Hull has won a *Boating Industry* Top Products award, which recognizes "the marine industry's best new and innovative products."

THE CRESTLINER ADVANTAGE

ENDURING QUALITY

At Crestliner, integrity and passion drive every decision we make. We take pride in our generations of engineering innovation—designing boats that last generations, too.

15 CONSECUTIVE CSI AWARDS

LIMITED LIFETIME WARRANTY

Protect every purchase with a limited lifetime warranty on mainseam welds, a three-year bow-to-stern warranty on virtually everything else and the ability to transfer warranties to future owners. (See warranty for details. Warranty differs on CR Jon boats.)

FIND YOUR PERFECT CRESTLINER

FISH & SPORT

When it comes to the water, your family does it all. From old hobbies to new adventures, the answer is always “yes.” Whether it’s tubing, skiing, cruising, fishing or even relaxing at the sandbar, a variety of activities—along with premium features and comfort—are key to keeping the entire family happy.

YOUR PERFECT BOAT:

- Sportfish p.6
- Super Hawk p.12
- Fish Hawk p.18
- Vision p.30

PURE FISHING

You’re rarely seen without a fishing rod in hand because angling runs deep in your DNA. Features that give you the edge—over fish and other anglers—aren’t just nice-to-haves, they’re must-haves. And whether you’re reeling in bass, muskie or crappie, you live for big catches and even bigger stories.

YOUR PERFECT BOAT:

- Fish Hawk p.18
- Fish Hawk SE p.23
- Pro Tiller p.28
- Discovery p.32

BIG WATER

You feel even more alive on the roughest days. When big water tries to scare you off, you need a boat that’s as confident as you are. Durable, stable, dependable—your Crestliner boat is your faithful companion no matter the conditions.

YOUR PERFECT BOAT:

- Authority p.24
- Commander Elite p.26
- Commander p.27

THE LEGENDARY CRESTLINER FISH HAWK

Crestliner's best-selling model family is now better than ever. With fantastic fishing and family features, the Fish Hawk brings everything you want to the lake. Premium performance, clever creature comforts, and an angling-first attitude puts the Fish Hawk at the top of the list for anyone that loves being on the water.

NEW ENHANCEMENTS FOR 2023

UNDER CONSOLE STORAGE

Under-console drawer storage for seven 3700-series boxes or other tackle and gear.

BOW LIVEWELL

Keep bait healthy and close at hand with a standard aerated bow livewell.

VINYL AFT DECK W/ JUMP SEATS

Optional vinyl flooring on all decks for non-slip durability, plus dual aft jump seats for added passengers.

EXPANDED CENTER ROD STORAGE

Room for more and longer rods to expand your fishing versatility no matter what species you chase.

SPORTFISH

THE FINEST CRESTLINER HAS TO OFFER

Our flagship Deep-V Sportfish isn't designed to meet expectations—it's built to exceed them every single time you hit the water. Every inch of the Sportfish is packed with our most innovative, high-performance recreation and fishing features, putting it at the top of our lineup and the top of your wish list. Tube, ski, wakeboard, cruise, cast, troll or chase—Sportfish adapts faster than you can buckle a life jacket. So whether it becomes your family's main hangout or your go-to fishing partner—or both—one thing is for sure: You'll be the envy of the water on every outing.

FEATURES & OPTIONS

Add comfort, style, function and fun with a full range of features and options available for most boats. Visit crestliner.com or your local dealer for complete information.

DELUXE SEAT

The Deluxe Seat is extra wide for added comfort. The cushioned backrest conveniently folds down.

BUTT SEAT

The Butt Seat gives fishermen a sturdy spot to sit or lean against when rotated 180°.

JUMP SEATS

A pair of optional jump seats add functional seating and platform space.

BOW DECK PAD

The bow deck pad with bolsters creates a spacious lounge area and cushioned sundeck atop the bow deck. (Available on the Sportfish, Super Hawk and Super Hawk. Sportfish shown.)

REMOVABLE SKI PYLON

All types of water sports are in reach with the optional ski pylon. (Available on the Sportfish, Super Hawk, Vision, and Fish Hawk JS)

PRO SEAT

The Pro Seat provides additional support and comfort for anglers on long treks.

RECLINING CAPTAIN'S CHAIR

Optional reclining helm and passenger captain's chairs with dual armrests and supple cushioning are a popular choice among anglers who value comfort.

TWO-PIECE STERN CONVERSION BENCH

A split design gives the new two-piece stern conversion bench easier access to the stern livewell, adds seating when flipped up and extends the casting deck when folded down. (Available on Fish Hawks)

SWIM PLATFORM WITH LADDER

Throw the anchor and jump in without worry thanks to the swim platform and ladder. (Available on Fish Hawk, Super Hawk and 1850 Sportfish)

MERCURY® VESSELVIEW® MOBILE

VesselView Mobile wirelessly connects your engine to your mobile device, giving you unique insights and details into your Mercury engine.

Options Vary Depending on Model

FULL CANVAS ENCLOSURE

Available options for walk-through models include side curtains, aft/drop curtain, suntop and tonneau cover. Covers attach securely to extruded gunnels with the easy on/off snapless J-Hooks.*

*Ensure proper ventilation. Full canvas enclosure should be used only when the boat is at anchor or at rest and never when the engine(s) is running.

All prices and specifications subject to change. Crestliner reserves the right to discontinue models or change prices, specifications, materials, equipment, color or design at any time without notice and without incurring obligations. Some models are shown with optional features and equipment. Outboard model weights shown in this catalog reflect the approximate weight of the boat only, and do not include weights of the outboard motor or accessories installed. All boats meet or exceed United States Coast Guard regulations, applicable American Boat and Yacht Council standards and are certified by the National Marine Manufacturer's Association. Our proven construction and its durability allow us to offer you one of the best warranties in the industry. Crestliner was the first to offer a limited LIFETIME hull warranty to the original owner. All main seam welds are covered. Interior support construction carries a limited 10-year warranty. Plus, you get a limited 3-year bow-to-stern warranty on virtually everything else. It gets better...Crestliner's warranty is transferable! When it's time to upgrade to a new Crestliner, you have the option to transfer the warranty to the second owner. (Limited Lifetime warranty differs for CR Jon boats.) Some restrictions apply. For complete details, a copy of our limited warranty is attached to each new boat or may be obtained from your Crestliner dealer. Many boats featured in this catalog are shown with available options. See your dealer for details. Every effort was made to ensure that this information was accurate at the time of printing.
