## NEVER STOP INNOVATING

### CRESTLINER'S 80TH ANNIVERSARY

Crestliner has been one of the strongest names in boating for 80 years because we never stop our laurels. We take what's proven and innovate continually as the years pass. Find out how we've navigated nearly a century of change—and how we plan to stride boldly into the next.

LEARN MORE

### 19 CONSECUTIVE CS AWARDS

For the nineteenth consecutive year, Crestliner has received the Customer Satisfaction Index (CSI) Award from the NMMA, recognizing marine manufacturers with customer satisfaction levels of 90% and above.

# QUALITY ENDURES

## THE INDUSTRY'S STRONGEST WARRANTY

Limited lifetime warranty on all main seam welds and a 3-year bow-to-stern warranty on virtually everything else—plus transferability to future owners. (Warranty differs on CR Jon and Outreach utility boats.)

## WORK-HARDENED SIDEWALLS

Adds strength, rigidity, and long life to your boat

## INTERLOCKING TONGUE-AND-GROOVE CONSTRUCTION

A one-piece, rock-solid and bonded hull for strength and durability

## DOUBLE-WELDED, WOOD-FREE TRANSOM

Built to handle the tremendous force of powerful outboards

## SUPERIOR STRUCTURAL INTEGRITY

A solid, all-welded stringer system reinforces the deck and hull

## REVERSE CHINE

Forces water down and away from the boat for a smoother, drier ride

## VARIABLE-DEGREE DEADRISE

Allows for quick planing and enhanced stability

## FOUR X DEEP-V HULL

Welded, four-panel hull with integrated spray rails enhance durability and repel water

Not all processes, features and statements apply to every Crestliner boat model.

# AP-X HULL

The revolutionary AP-X Active Performance Hull provides maximum control, lightning-fast acceleration, and optimized engine performance. This is due to precision-engineered features like a recessed pad, dual tracking edges, variable-degree deadrise, and a full-length keel that combine to enhance responsiveness during the hole shot, on plane, turning, and deceleration.

## FEEL THE DIFFERENCE

From taking corners at speed to maximizing your engine operation, your on-the-water experience is unparalleled with the AP-X Hull. It's a notable difference from typical Deep-V hulls, and you'll feel it in smooth comfort and premium performance.

AP-X Hull is available on Sportfish (1950, 18, 50), Super Hawk (1850, 1750), Fish Hawk (2050, 1850, 1750).

# NEW FOR YOU

## 2050 FISH HAWK

The flagship of the Fish Hawk family is a big water dominator. With advanced performance and fishing features, including our exclusive AP-X Hull, the 2050 Fish Hawk provides the finest performance in its class. On the inside, you'll find generous storage, plus an optimized dual console, flexible seating, a deep, secure cockpit, and large bow and aft decks. It all adds up to a durable, powerful fishing boat that's ready to dominate the game fish of your choice in any water.

## XF SERIES

The new XF Series obliterates the competition with the largest bow decks in its class, providing maximum room for casting and fighting fish. The XFC models feature three-across bow seat bases so crappie anglers can work both sides of the boat. Add in a premium fiberglass console with room for a 12" flush graph, generous rod and tackle storage, and our durable all-welded aluminum Mod-V hull, and the XF Series is ready to kick bass and take names.

## 1850 KODIAK

The new 1850 Kodiak is a rugged Deep-V contender built to get you to the fish, to the job, to the campsite—wherever you need to go on the water, whether you fish, work, or play. Explore Kodiak today, and get back to the basics of adventure.

## RAPTOR PACKAGE

The Raptor package, available on the 1850 and 2050 Fish Hawk, is an exclusive upgrade featuring Raptor graphics and decals, custom steering wheel, phone charger, Mercury® SmartCraft® speed and tach gauges, swim platform with ladder, Rockford® stereo with two speakers, black seat bases and pedestals.

# DEEP-V

## BUILT FOR BIG WATER

Our advanced line of proven Deep-V boats are equally adept at multi-species big-water fishing and recreational watersports, with smooth and dry-riding hulls, deep and secure cockpits, ergonomic consoles, roomy storage and comfortable seating for the entire crew.

## A LEGENDARY BOAT FOR LEGENDARY ANGLERS

The legendary Fish Hawk series is built to dominate big water. With our revolutionary AP-X Hull, cavernous storage, deep, secure cockpits, premium consoles, and comfortable, adjustable seating, this line of big water beasts is ready to conquer whatever species you pursue.

## MORE THAN JUST A BOAT

Bells? No thanks. Whistles? Keep 'em. There's no need for fancy frills and flashing lights here. Kodiak is a down-to-earth, tough-as-heck boat that will do what it has to do to make your adventure a success, no matter how hard you push it. From Canadian resorts to Midwest fish camp and from the mountain lakes of the west to the massive reservoirs of the south, this is the boat that can do it all.

## CONTROL THAT NEVER COMPROMISES

The tried-and-true Pro Tiller is designed with the most important part of the boat in mind: the driver. From the tiller handle to the command console to the livewell, everything is within reach and under your control. So whether you're trolling a weedline or scanning the graph, you'll be ready for anything.

# MOD-V

## FROM WEEKEND WARRIOR TO TOURNEY PRO

Crestliner Mod-Vs have the largest casting decks in their class, making them ideal for bass and crappie fishing. Fast, shallow-drafting, wood-free hulls let you target the fish where they live, whether you target largemouth in southern reservoirs, smallmouth in the Midwest, or pike and musky in the northern wilds.

# STORM

## READY FOR ANYTHING

The versatile Storm Mod-V fishing boat is ready to seek any species, from panfish to crappie, bass to walleye, and pike to musky. Affordable and built for a lifetime of multi-species fishing, these Mod-V performers top the list for first-time boat buyers.

## GETS YOU TO THE FISH

The Ridge drafts shallow and moves quick, getting you to the fish no matter where they hide. Affordable pricing and built-in versatility make this the perfect mid-level bass fishing boat, while a nimble Mod-V hull and clever interior fishing features mean you can get to the fish and start catching.

EXPLORE NOW

The information contained within this catalog is believed to be correct and current. Prices, options, and features are subject to change without notice. Model year boats may not contain all the features or meet specifications described herein. Options may affect physical dimensions. Confirm availability of all accessories and equipment with an authorized Crestliner dealer prior to purchase. Outboard model weights shown in this catalog reflect the approximate weight of the boat only, and do not include weights of the outboard motor or accessories installed. All boats meet or exceed United States Coast Guard regulations, applicable American Boat and Yacht Council standards and are certified by the National Marine Manufacturer's Association. Our proven construction and its durability allow us to offer you one of the best warranties in the industry. Crestliner was the first of all aluminum boat manufacturers to offer a limited LIFETIME hull warranty to the original owner. All main seam welds are covered. Interior support construction carries a limited 10-year warranty. Plus, you get a limited 3-year bow-to-stern warranty on virtually everything else. It gets better...Crestliner's warranty is transferable! When it's time to upgrade to a new Crestliner, you have the option to transfer the warranty to the second owner. (Limited Lifetime warranty differs for CR Jon boats.) Some restrictions apply. For complete details, a copy of our limited warranty is attached to each new boat or may be obtained from your Crestliner dealer or downloaded from crestliner.com. Many boats featured in this catalog are shown with available options. Every effort was made to ensure that this information was accurate at the time of printing. Crestliner assumes no responsibility for errors in type, in print or in photos. Please follow the rules of safe boating, be courteous to others and respect the marine environment. Special thanks to NMMA®, Onyx®, Mercury Marine®, Power-Pole®, and Ruttger's Bay Lake Resort.
